# Returning to Mass

As we prepare to return to public celebration of Mass, here are some guidelines to ensure the safety and well-being of our community.

The Sunday Mass dispensation is still in effect.

**If you are feeling ill, stay home.**

It is **highly encouraged** that those in at-risk populations should continue to participate in the Mass via television and social media. Sunday Masses continue to be televised and live streamed.

## Follow Instructions

Parishes will offer guidance to all visitors

## Sanitize

Sanitize your hands before entering and leaving

## Masks are Strongly Encouraged

Put on a face mask before entering the Church

## Follow Ushers

Ushers and signage will instruct you where to sit

## Social Distance

Always maintain six feet between you and others

## Skip a Pew

Every other row of pews will remain empty

Always maintain six feet between your family group and others.

**Please note cry rooms will not be available.**

All churches will be sanitizing pews, entrances and all other facilities used before each service.

**Occupancy is limited and you may be asked to attend at another time or view Mass via online streaming.**

Saturday evening's Mass will be recorded and available to be viewed Sunday morning at
